

PPG Sustainability

2017 Progress

In 2017, we continued to enhance and strengthen our sustainable operations and bring life to our purpose and promise: **WE PROTECT AND BEAUTIFY THE WORLD™**.

PPG's sustainability goals serve as a guide for our businesses and locations to embed sustainability into their day-to-day operations. Our 2017 progress demonstrates our commitment to our customers, our communities and the environment.

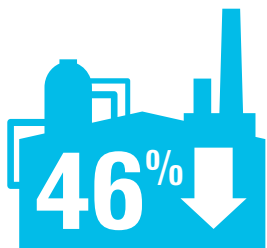

were from **products** that
provide our customers
with a **SUSTAINABLE
ADVANTAGE**

Our customers save water, and reduce waste and energy use with the help of our paints, coatings and specialty materials

reduction in
**WASTE
DISPOSAL**
since 2012

reduction in
**GREENHOUSE
GAS** emissions
intensity
since 2012

70% of locations
with
50 or more employees
had a **WELLNESS
PROGRAM** in 2017

6.5% ↓
decrease in our
**INJURY and
ILLNESS**
rate

Through PPG and the PPG Foundation,
we invested **\$10.5MM**
in **29 COUNTRIES**
in communities where our employees
LIVE, WORK & PLAY
